SUNDAY READINGS

After the miraculous catch of fish, Jesus calls Simon, Peter, James and John to be "fishers of men." Despite their sinfulness, they drop everything and follow the Lord. Filled with the same spirit of discipleship, let us seek to follow Jesus as we ask the Lord for mercy.

Next Week:

Jeremiah 17:5-8;

PROJECT RACHEL: POST ABORTION HEALING February 19-21, 2010

At least 70% of women having abortions say they believe it is immoral. It is because so many women who abort are acting against their consciences and maternal instincts – out of fear, pressure or misinformation – that the psychological impact of abortion can be so profound. We can help. Begin the New Year with a peace that surpasses all understanding. We can help. The next retreat will be held February 19-21.

As mandated by the U.S. Constitution, the Census is a count of everyone living in the United States—both citizens and non-citizens. The law protects everyone's information, even if they are in the country without proper legal documentation. The resulting data will determine congressional representation and guide funding decisions for critical social services and community programs that may also benefit parish communities.

STEWARDSHIP REPORTS FOR YOU

Thank you letters for 2009 Stewardship/Sunday Support Donations from registered parishioners accounts were mailed last week. Please contact the Parish Office if you didn't receive a parish stewardship report. You should use your check records as the most comprehensive for IRS reporting as the parish does not record all archdiocese or national campaign donations.

Thank you letters for 2010 Stewardship Pledge have been mailed and include your record of Time & Talent pledges. This record includes all past pledges of interest in parish ministries until the parish office is notified you are no longer interested or active in a certain ministry. Many thanks to those who have called to update our records!
